Not open during the non-term time holidays during the Christmas period, or on Bank or Public Holidays, without prior consent from the Local Planning Authority.

Additionally school has a small hall and large hall that can be used/hired at the schools discretion.

Whybridge Junior School have been fortunate in that we have secured many grants from Veolia for the above facilities.

The Veolia North Thames Trust is a local grant awarding charity that supports local community, environmental, heritage & sports projects across Basildon, Castle Point, Havering & Thurrock council areas.

We can support projects that provide, maintain or improve public parks (where it is for the protection of the environment), public amenities, (where it is for the protection of the environment). Almost any improvements to public open spaces, including childrens' play equipment, planting, paths etc

We can also support projects that conserve, restore or enhance a specific natural habitat or the maintenance or recovery of a species in its natural habitat. The study of animals or plants on land or in water as well as the maintenance, repair or restoration of a building or other structure which is a place of religious worship or of historic or architectural interest.
