

The **Family Support Adviser** at Whybridge Junior School is Mrs A Gambles and Mrs C Williams.

As a school we are committed to continually support our parents/carers and children in order for them to gain their best outcomes in their time at Whybridge Junior School.

Our role is to develop positive home/school relationships working closely with families, children and school to help ensure that each child is given the opportunity to achieve their full potential.

We can offer support & advice if we or you feel that you or your child should need it. Our work may involve 1-1 with your child, group work or supporting you as parents.

Some of our work with children & families has been around bereavement, friendships, low self-esteem, family break ups, Safeguarding issues, debt management and other issues that may occur.

If you feel we can be of assistance to you or your child, please contact the School Office.
